Summer Coasters
Instructions (pt. 1)

1.) Cut a sheet of scrapbook paper or cardstock into 4 different 3.75x3.75 in squares. You can get 9 squares out of a standard 12x12 in sheet.

2.) Paint a <u>very</u> thin layer of Mod Podge on the top of one tile.

3. Place one sheet of paper in the center of the tile.

4.) Paint a very thin layer of Mod Podge over the paper and let dry for 5-10 minutes.

5.) Repeat for all 4 tiles.

6.) For best results, use 3-4 layers of Mod Podge and let dry for 5-10 minutes in between layers.

7.) Stick a Felt Back in the corner of each tile.
